WORK EXPERIENCE

Chicmic Technologies LLP— React Native Developer   Aug 2023 - Present

- Developed and optimized high-performance mobile applications across multiple platforms using React Native.
- Collaborated cross-functionally to gather requirements, plan features, and execute within agile methodologies.
- Offered innovative solutions and actively participated in discussions for product enhancement.

Chicmic Technologies LLP— React Native Intern   Feb 2023 - July 2023

- Supported the creation of UI components to improve user interaction.
- Assisted in developing mobile applications using React Native.
- Contributed to requirements gathering and agile feature planning.

SKILLS

Languages and Framework	JavaScript/Typescript, React, React Native, HTML, CSS, Express
Tools	Git, GitHub, VS Code, Windows, Linux, Android Studio, Xcode

PROJECTS

My Portfolio: adarshpandey.com

Ride Sharing App(React Native)
Developed a ride-sharing app using React Native, inspired by the BlaBlaCar platform. Implemented features for users to search and book rides with drivers, promoting convenient transportation solutions. Collaborated with a team to design intuitive user interfaces and ensure a seamless experience across iOS and Android platforms.
